# Take a seat (with confidence)

Reliability runs in the family

---

Every Aviera model shares the same value-driven DNA:  
built to be durable, engineered to be flexible,  
designed to be customizable and created to be comfortable.

Whether lobby, lounge, welcoming or waiting, you can rest easy with supremely comfortable do-it-all seating for your public spaces. Aviera makes it easy to configure endlessly and effortlessly – across an entire collection – with worry-free design and lasting durability, including metal or wood frames that feature an integrated steel structure. Discover an industry-leading seating solution and get peace-of-mind for any project.

## Outperform and outlast

Aviera outshines with a uniquely-beveled frame and sturdy steel structure, with metal-to-metal connections, that can endure sit after sit – day after day. And if any part needs a refresh, its modular assembly means each piece is field-replaceable for a quick-and-easy fix.

## Safe and sound design

It's easy to get into (and out of) this healthcare hero when you have Healthier Hospital compliant options, non-skid footrests on all hip chairs, non-corrosive aluminum frames, silver ion anti-microbial wood frames, ample clean-out spaces, wall-saving frames and arched arm rests.
